Agriculture Scholarship Application Form

Investing in the Future of Agriculture

A&P Grain Systems is proud to offer a $1,000 scholarship to a graduating high school senior in Northern or North Central Illinois who plans to pursue higher education in agriculture or a related field.

As a family-owned agricultural construction business, A&P Grain Systems understands the importance of investing in the next generation of agricultural leaders. Through this scholarship, we hope to support students who are passionate about agriculture and committed to helping shape its future.

Applicants must plan to pursue a degree or program in one of the following fields or a related agricultural field:

- Agribusiness
- Animal Science
- Agronomy or Crop Science
- Food Science
- Agricultural Engineering
- Agricultural Education or Technology
- Other agriculture-related fields e.g. electrical, welding or construction

To apply, please fill out and submit this application along with a 500-word essay discussing the impact of agriculture on your life and how your education can benefit the future of agriculture. In your own words, explain what sparked your passion for the industry, how your education and career goals will help shape its future, and how you hope to make a positive impact on your local agricultural community.

Application deadline is **March 31, 2027.**

Winner will be announced by April 20, 2027.
